## Barningham Net Zero

### **SURPLUS PRODUCE INITIATIVE 2021**

Gardeners often end up with a glut of good fruit or vegetables which they are unable to use or store. We don't like seeing good food wasted, especially when there are others locally who are struggling to afford food. By sharing what we have within our community, we can enjoy freshly picked produce and help another family to eat at the same time.

Last summer, we offered surplus produce in exchange for charitable donations via the "Produce at the Fountain" table. This raised £160 which was split between local food banks and Wetheriggs Animal Rescue.

The proposal for 2021 (*to run from 3<sup>rd</sup> June to 30<sup>th</sup> September*):

- Donors can drop off their surplus produce with Steve Ottevanger (leave on the doorstep of Elim Cottage) on Thursdays or Fridays.
- On Friday evenings, we will contact potential receivers to confirm interest in available items. Where multiple people are interested, we will contact you on a rotation basis.
- On Saturdays, the donated produce will be delivered to your door in exchange for a small voluntary cash donation (envelopes to be provided). You can indicate your preference for donation to the TCR Hub *Teesdale Care Package Campaign* or Wetheriggs Animal Rescue.
- Any leftover food will be donated to Wetheriggs Animal Rescue.

The scheme will only work if people get involved! Please return the form provided if you are potentially interested in donating or receiving surplus produce.

***Help us make 2021 an even more successful year!***
